Re: *Krandle v. Refuah Health Ctr., Inc.*, 22 CV 4977 (KMK);  
*Esposito v. Refuah Health Ctr., Inc.*, 22 CV 5039 (KMK)

Dear Judge Karas:

Before the Court are two actions removed by defendant Refuah Health Center ("Refuah") from New York Supreme Court. The underlying actions concern the theft of medical and other sensitive personal information in the possession of Refuah. This data breach occurred because Refuah allegedly failed to put in place adequate cybersecurity measures. Plaintiffs have asserted causes of action under New York law. The United States is scheduled to file a statement by January 16, setting forth its position on whether Refuah meets the requirements of the above removal statutes. I write to request that this deadline be extended to January 27. The request is being made because I unexpectedly will be traveling out of state to attend to the health needs of a family member.

I thank the Court for its consideration of this request.

Respectfully,

DAMIAN WILLIAMS  
United States Attorney for the  
Southern District of New York
